Chief Chris Dell

Friends of MFPAA:

We would like to thank everyone in our community for their support as the demand for Emergency Medical Services (EMS) continues to increase. As you know, providing quality pre-hospital services is essential to a community's vitality. As a nationally accredited agency, we strive to deliver high quality health-care to our neighboring communities. MFPAA ensures that residents of McCandless, Franklin Park, Pine, Bradford Woods and Marshall receive the highest level of care.

2025 was another great year for our organization. We have worked hard to prepare this annual Year in Review. This highlights our community visibility and open transparency, adhering to our mission and vision as healthcare professionals.

MFPAA is a 501(c)3 Non-profit Organization. We have crews available 24 hours a day 365 days a year responding to residents, business, organizations and schools. MFPAA average 20-25 calls per day. You can depend upon us as your local EMS agency.
